

DECLARATION TO WHOM IT MAY CONCERN

We, the undersigned FONDEREPHAR laboratory - Catherine FEUILLOLAY Test Manager, certify that according to the antimicrobial surface activity standards (JIS Z2801: 2010 and ISO 22196: 2011), the tests are carried out in the dark. The technology we are testing for your company is therefore not exposed to light.

September 4th 2020

Dr Catherine FEUILLOLAY
Test Manager, Fonderephar
